

Dear Parents,

As announced yesterday, remote learning is to continue for a further 4 weeks until August 28. Thank you once again for partnering with us and our ongoing remote learning program. We know and appreciate that managing children learning remotely at home is challenging. We thank you for your continued work with your child and the support you are giving them and to the school.

Our teachers have been working extremely hard to provide a quality and supportive remote learning program for all our Prep to Year 6 students. They are spending an enormous amount of time and effort providing engaging lesson activities that help children to learn, grow and improve. This includes making teaching videos, interacting with children via zoom, giving feedback and making extra support available to all students. They are also endeavouring to implement innovative and helpful ways to support your child and give them opportunities to connect with their friends.

Dr Chant said yesterday, “we all have a part to play, we need to hold the course, remain staying at home.”

Thank you for supporting our teachers and school community by adhering to this advice. If the number of children attending the school were to increase, the quality of our remote learning program and the support that class teachers are able to give, could be greatly affected. Please help us by only sending your child to school if there is a need as outlined by the health advice.

Thank you for partnering with us during this difficult time.
If you have any feedback or comments you are welcome to email me at headofjunior@shirechristian.nsw.edu.au.

Yours in Christ,

Paul Carter
Head of Junior School

Cast all your anxiety on him because he cares for you. 1 Peter 5:7
