

Dear Junior School Parents,

We hope that you have found the previous resource material helpful and that it supported your child's learning. As you would appreciate, the previous resource material was packaged before the announcement of a further 4 weeks of lockdown. Therefore class teachers have prepared a new resource package for the coming weeks.

This Wednesday 4 August, from 1pm - 3.30pm, we will be distributing materials for Prep - Wednesday to Friday, Kindergarten, Years 1, 2 and 5 in the school car park in the same way as before. Other grades (Years 3,4 and 6) will continue to provide all resources online and therefore no further printed material is required.

To help us, please display a sign on your front window that states what year groups you require. Please remain in the car and we will bring the materials to you.

If you cannot collect them this Wednesday, they will be available afterward at Reception for you to collect when you are able.

Under the current restrictions, parents are permitted to visit the school to collect resources for remote learning in a COVID-safe way.

Wednesday 4 August

Remote Resource Materials Pick Up #2

1pm - 3.30pm

Prep W-F, Kindergarten, Years 1,2 and 5.

COVID Safe

Rain, hail or shine!

Thank you for your support,

Mr Paul Carter
Head of Junior School
