

Dear Parents,

It was wonderful to see students begin to return to school today. It was a joy to see students and teachers connecting and developing the warm relationships that so greatly contribute to the 'family feel' of our school.

Please read the following updated information to ensure the transition continues smoothly.

Masks

Masks are required indoors for staff and students (does not apply for Prep to Year 6 students). Masks are **no longer required outdoors**.

Uniform Shop

The onsite uniform shop is closed. Parents are unable to visit the uniform shop. Uniforms can be [ordered online](#). Online orders will be given to students to take home.

Parents on the School Site

Unfortunately, current NSW Government regulations do not allow parents on the school site, other than for school drop off and pick up as outlined below.

Drop Off

To help delays and traffic congestion in the morning, parents are asked not to get out of their car unless their child is unable to get out of the car without assistance. Alternatively, parents can park on the street and walk their children to the front gate.

Pick Up

Parents with students in Prep to Year 2 are welcome to wait, physically distanced on the front oval, for their child from 2.25pm. Teachers will bring students to the oval at the end of the day. Parents are required to check in using the QR codes, although they are not required to wear masks.

Thank you for working with us as we ensure a smooth return for our students.

Kind regards,

Mr Brett Hartley
Principal
