Occupational Therapists can support children with their:

- ✓ Self-help Skills (dressing, toileting, mealtimes, eating)
- ✓ Social and Play Skills
- ✓ Fine motor skills
- ✓ Cognitive Skills (visual perception, attention and concentration, planning and processing, problem solving)
- ✓ Sensory Regulation
- ✓ Emotional Regulation
- ✓ Equipment needs

Therapist

Kim Kirk is a registered Occupational Therapist with over 12 years of experience working with children in their natural environments, for example in their home, community, school, or childcare/preschool setting. Kim is the owner of Promote Abilities Therapy, which is a mobile Occupational Therapy Service.

Kim prides herself on creating a safe, trusting and friendly environment, whilst employing a goal oriented, person-centred approach to therapy. Kim is a faithful member of Menai Anglican Church.

Communication

It is essential to have both the student's parents and teachers involved in the goal setting process. After each therapy session the therapist will provide a summary to the family and teacher.

Home sessions are available during the school holidays.

Written reports are provided upon request. Reports can include, assessment reports, progress reports, NDIS review reports, summary reports.
